

## 2025 Farm-City State Video Contest

The Alabama Farm-City Committee is excited once again to offer a Video Contest for high school students in the 9<sup>th</sup> through 12<sup>th</sup> grades. The contest is sponsored by Alabama Farmers Cooperative and complements the Farm-City poster and essay contests by providing students another channel to express their creativity.

The 2025 theme for all three contests is  
**“Grow Alabama.”**

### Eligibility and Rules

**Entry is open to ninth through 12th graders.** A \$300 cash prize will be awarded to the first-place winner at the state level, and his or her school will receive a matching award. The second-place state winner will receive \$200, as will his or her school.

The presentation must be created in video form and must relate to theme. Images, audio, and narration may be included, but all components must be packaged with the video. The presentation should be 2-3 minutes in length and should not require live narration (by the viewer.)

Each student must complete the information form and submit it with their entry link. The presentations will be judged on the following: content, adherence to theme, accuracy of information, appearance, originality, and production. The presentation must be uploaded to YouTube.com and a link to the video included on the online application form that can be found at [www.AlabamaFarmCity.org](http://www.AlabamaFarmCity.org).

***Students are responsible for ensuring their project is copyright compliant and for obtaining any necessary usage or reproduction rights for music, images, videos, or voice content. Photos and videos do not have to be original to the student, but majority of imagery should be reflective of Alabama agriculture.
